Artist Profile & Juror Genres

2018-2019

Published July 12, 2018

This is a list of genres that you can choose from when you create an Artist Profile, when applying to become a FACTOR juror, or when filling in a Sound Recording component in the Artist Development and Juried Sound Recording programs. In all cases, you must choose one of these options as your Primary Genre, with the option of adding any other subgenres as they apply.

Please note that these are our broadly defined categories, this does not represent every genre or genre combination out there. FACTOR supports artists and seeks jurors in all genres of music.
