Program Overview

1. The Juried Sound Recording Program (“JSR Program”) provides grant funding toward the costs of production or acquisition of an original full-length sound recording and contributes to the marketing and promotion of that sound recording under the [Marketing](#), [Tour Support](#), [Showcase](#), [Video](#), and [Radio Marketing](#) Components.
2. ONLY the Sound Recording Component must be submitted when you first apply. Any other components may be submitted after the sound recording component application has been approved by the jury and FACTOR, within the timelines set out in these Guidelines. Expenses will be eligible if incurred after the date of application for the sound recording component.
3. Unsigned/independent Artists rated General and Artist 2, and Record Labels rated Approved, 2, 3 can apply to this Program.
4. Funding under the JSR Program is divided into two phases. Please see [Funding and Payments](#) for further details on maximum amounts, including information on how some of the funding is flexible, and some must be used for specific activities.

In Phase 1, the maximum available funding is:

- General Artist: \$47,500
- Artist 2: \$57,500

In Phase 2, you may receive an additional \$30,000 (General Artists) or \$40,000 (Artist 2), provided that the funded sound recording has met the [Qualifying Threshold*](#) for the genre.

*The [Qualifying Threshold](#) comprises unit sales, streams, and radio activity. It is set once per year at the [Annual Review](#) and is based on best available Canadian industry data.

[See Funding and Payments](#) for further details.

5. Review of applications may take up to twelve weeks from the Application Deadline. Please see [Business Policies: Application Process](#) for details.
6. Funding for this program is provided by Canada's Private Radio Broadcasters and the Department of Canadian Heritage's Canada Music Fund's New Musical Works Component.

Application Deadlines

***New: Please note the important application information below.**

There are three deadlines per FACTOR fiscal year for this Program:

- May 31, 2018
- September 27, 2018
- January 31, 2019

NOTE: To meet the deadline, the Application must be submitted online no later than **11:59 p.m. Pacific Time** on the corresponding deadline date. If you encounter some technical difficulty related to the operation of FACTOR's Online System (OS), you must inform FACTOR by email or telephone, prior to 11:59 p.m. Pacific Time on the deadline date, if such technical problems impede the submission of a profile or application. FACTOR will not allow an application to be re-submitted where a complaint is made about the technical operation of the OS after the deadline date.

***NEW: IMPORTANT INFORMATION FOR ARTISTS APPLYING TO THIS PROGRAM:**

First-time Artists applying to this program:

If you have never applied to FACTOR before, you must first create and submit an Artist Profile and an Applicant Profile before you can create and submit your JSR Project application. You may do this any time, including the same day you submit your JSR application. To do so, complete only the Mandatory Information section of the Artist Profile. **You do not need to complete the Additional Information section of the Artist Profile to get the General Artist rating.**

The Applicant Profile provides the details of the person or entity that is contracting for the FACTOR funding. This is often one member of the Artist band.

Once you have created and submitted these profiles, they will automatically receive a provisional rating that allows you to go straight to the application process. You do not have to wait for the profiles to be reviewed by FACTOR before starting your JSR application.

Return Artists applying to this program:

If you have previously applied to FACTOR in any program, you should apply to this program using the same Applicant Profile and Artist Profile that you already have (updated as required).

Who Can Apply?

- **General Artists**
- **Artist 2**
- **Record Labels Rated Approved, 2, 3 with a General or Artist 2 project. The above funding levels apply. You must have both an approved Record Label profile and approved Artist profile to start your application. See [How to Apply](#), below.**

7. MEC-supported companies, and Record Labels that have signed or licensed an artist that is eligible for the

[Comprehensive Artist Program must apply to that program](#). An Artist 3 that has received the maximum support under Comprehensive Artist Program may be eligible to apply (or their record label may apply) to this JSR Program at the Artist 2 level.

8. Record Labels Rated 4 are ineligible to apply for the JSR Program; however, they are eligible to apply to the [Comprehensive Music Company Program](#).
9. Other parties such as artist managers, producers, or music publishers may fill out the Application on behalf of an Artist; however, the Artist must be the named Applicant.
10. Applicants under 18 years of age must submit a signed [Parental Consent form](#) with the application.
11. Only the party that controls the Canadian commercial release rights and exclusive Canadian exploitation rights to the sound recording at the time of application may apply. Typically, this will be:
 - a. A **Canadian Artist**, if the Artist is “unsigned” or has not licensed the sound recording to another party. If the Artist is a band that is not incorporated as a company, then an individual member of the Artist band must be the Applicant. **You must have both an approved Artist Profile and an approved Applicant Profile to apply.**
 - b. A **Canadian Record Label** that has already signed the Artist, or has licensed the sound recording, or has an option to license the sound recording. If the Artist owns the underlying copyright in the masters but has licensed the sound recording to a Record Label, the Label must be the Applicant. **The Record Label must have an approved Applicant Profile and the Artist Profile must also be registered and approved before the Label can apply.**
12. When a Record Label is the Applicant, it is expected to retain exclusive control of the Canadian exploitation rights in the funded album for at least two years after first commercial release, or termination of the General Agreement. See [Business Policies: Disposition of Masters](#).
13. FACTOR will allow only one application per Artist at a time within any sound recording program, and only one application at a time to either of FACTOR’s juried programs (Artist Development or JSR) per Application Deadline. Another Application for the same Artist may not be submitted to either the Artist Development or JSR Program until the first Application has been reviewed and either accepted or rejected by FACTOR.
14. An Applicant with an active full-length sound recording project that was previously approved in any program but has not yet been completed, may apply to either juried program with a new project, provided that the Applicant, Artist and previous project are in good standing.
15. Each Artist may be approved for one JSR Program Application per fiscal year. An Artist may not submit a new JSR application if they were awarded funding in a different JSR project earlier in the same fiscal year.
16. Each Artist may be approved for a maximum of three Juried Sound Recording applications in the lifetime of the program. However, if at any time within two years after its first commercial release, the Applicant returns all of the funding of one of the previously-approved JSR projects in full, then an additional Application may be made.
17. A Record Label Applicant may not have more than two unreleased FACTOR supported sound recordings in the Juried Sound Recording Program at a time. If you have two projects funded under this Program in progress, you may apply for funding for a third; however, funds for the third project will not be released until one of the approved projects is Commercially Released.
18. Applicants who are Record Labels may submit no more than two sound recording applications, per deadline, to JSR Program; the Applications must be for different Artists.

How This Program Works

19. There are six Components to this Program: [Sound Recording](#), [Marketing](#), [Tour Support](#), [Showcase](#), [Video](#) and [Radio Marketing](#). You do not need to submit all these components when you first apply. You should only submit the Sound Recording Component; you can apply for additional components after the project has been approved. In that case, the expenses will be deemed eligible as of the date of application to the Sound Recording component. Please review the rules for each individual Component to ensure your project is eligible.
20. All Juried Sound Recording Program applications must include the creation or licensing of a new, previously unreleased Qualifying Album. JSR funding cannot be used to acquire or market a title that has already been Commercially Released.
21. There is no minimum spend for any Component; however, you must incur some costs in the Sound Recording Component.
22. The sound recording produced with this funding must be commercially released in Canada. You are expected to use best efforts to market the album in Canada and make it available to Canadian audiences. Generally speaking, after completion of your Sound Recording Component, 25% of the total Eligible Costs for the project across all remaining components (Marketing, Tour Support, Showcase, Video, Radio Marketing) should include Canadian goods and services related to the Canadian release. The remaining 75% of the total Eligible Costs for the project (after the Sound Recording Component) can include international activities and costs.
23. Record Labels rated 2, 3 may apply for licensing fees to acquire an already-produced but unreleased Album. If the request is for a License Fee, it will be capped at the Sound Recording Component maximum FACTOR contribution of \$10,000 for General Artists, \$15,000 for Artist 2.
24. All Applications to this Program must include the Sound Recording Component. You must submit a detailed marketing plan for the proposed sound recording along with the Sound Recording Component as part of the assessment materials for the whole Project.
25. The following information is **mandatory** in the Application. Failure to provide this mandatory material will result in an Application being rejected as ineligible:
 - a. Project goals;
 - b. Genre;
 - c. Recording start date;
 - d. A detailed marketing plan for the proposed sound recording;
 - e. Demos for two and only two of the tracks you intend to record. These are called Assessment Tracks. Generally, Assessment Tracks must be original compositions that have not previously been recorded and commercially released by you or any other artist. "Covers" will generally not be accepted for assessment, except if they have special creative merit and FACTOR has approved. With FACTOR's permission in advance, you may submit previously self-released tracks only if you intend to substantially change and re-record them and make new masters, in which case the tracks must appear on the finished funded album. Only two Assessment Tracks will be forwarded to the jury.
 - f. Each Assessment Track must have music and/or lyrics written by a Canadian. See [Business Policies: MAPL Certification](#).
 - g. Jazz and Classical Artists may submit Assessment Tracks that are new arrangements of a work previously recorded and commercially released by another artist (e.g. standards, classical repertoire). Such Assessment Tracks may also have music and lyrics by non-Canadians; or they may be based on works in the public domain.
 - h. Lyrics (if any) to the Assessment Tracks;
 - i. A description of the changes you intend to make to the MP3 Assessment Tracks;
 - j. Artist Biography.

26. The following information should be entered in the Application, and will be required before an offer of funding can be approved:
 - a. Detailed information for each track you intend to record. **IMPORTANT:** The album as a whole must meet FACTOR's MAPL requirements for Canadian Content. See [Business Policies: MAPL Certification](#); if the whole album as proposed does not meet those requirements, and you have not received an exception in advance from FACTOR, your project may be disqualified.
 - b. Commercial release information, including a proposed release date;
 - c. Total request.

27. With the Application you may include the following optional information, along with any other information that you feel puts your Application in the best light (see [How Applications are Assessed](#) below):
 - a. Professional Photo
 - b. Producer Biography and/or Credits
 - c. Up to five recent Press Clippings
 - d. A document covering your radio chart history, awards and accolades, links to recent videos, tour dates (past and upcoming)
 - e. Up to five letters of support from agents, labels, distributors, promoters, radio DJs, etc.

- Important note:** FACTOR staff is unable to attach materials to an application once it has been submitted. It is your responsibility to ensure all mandatory documents have been uploaded prior to submitting the Application.

28. This is a juried program, meaning that all eligible applications will be sent for evaluation to a FACTOR Jury that will assess the commercial and artistic merit of the Assessment Tracks, the marketing plan and accompanying materials, and the project as a whole. Please see [Business Policies: Assessment Process – Juried Program](#).

29. If your application is successful, you must enter into a Funding Agreement which sets out the terms of the funding. You must provide your banking information to receive your funding via [Direct Deposit](#).

30. You must use the Sound Recording Component funding to produce a Qualifying Album that meets all the following requirements:
 - a. It comprises at least six tracks or 20 minutes of music, either packaged as one album, or as a [Track Equivalent Album](#) (a series of singles or EPs that will be released within a 12-month period of each other);
 - b. The underlying compositions and the recordings have never been commercially released. “Covers” of previously recorded compositions may be allowed but only if they have special creative merit as determined solely by FACTOR and approved in advance of the application being submitted;
 - c. The album is by a Canadian Artist and, as a whole, contains at least 50% music and lyrics written by Canadians. Please see [Business Policies: MAPL Certification](#) for details of exceptions for jazz and classical music.

31. You may apply for any other Component funding as soon as your sound recording is approved. The Marketing Component must be submitted within six months following the Commercial Release of the sound recording. The remaining Component funding must be added within the later of six months after Commercial Release, or 24 months after the date of application for the Sound Recording.

32. You may add multiple Marketing, Tour, Showcase and Video Components as is appropriate for your Project's timeline, subject to the Program Phase I limits (including what was spent in the Sound Recording Component). You must submit a budget and/or complete Project details online each time you apply for a Component of your Project, and to describe the goals, expected results, and timelines for completing each Component and the Project as a whole.

33. After approval, changes to your project plan should be discussed with your Project Coordinator to ensure your proposed changes to activities or costs remain eligible. For example, you may reassign a portion of Project costs toward additional Marketing, or toward Tour Support, provided that you complete a Component Application. However, you may not use those funds for corporate development or any other ineligible activity.

34. Once the Application is approved, changes to the proposed activities having a budget impact of 25% or less of Eligible Costs may be made without FACTOR pre-approval, subject to the cap, if any. All other changes must be approved by FACTOR.
35. When you apply for Component funding under the JSR Program, you are subject to the Component rules regarding eligibility and costs, **except as noted below:**

- a. Expenses in the Marketing, Radio Marketing, Video, Tour and Showcase Components will be eligible from the date of initial Application for the Sound Recording.
- b. You may apply for Tour Support as a Component regardless of the Artist Rating. When applying for Tour Support as a Component in this Program, you do not need to show eight Tour dates, but can apply for as few or as many as you prefer. The annual maximums for Tour Support and Showcase support apply across all Programs. This means that if you apply for Tour Support within this JSR Program, it will diminish the amount that can be requested by the Artist in the Live Performance program (or any other program). See [Funding and Payments](#) for information on maximum amounts.

Note: General Artists may not apply for Tour Support in the Live Performance Program; however, the Tour Support Component is available to General Artists through all full-length sound recording and marketing programs.

- c. You may apply for Video Support as a Component regardless of the Artist Rating. A maximum of \$20,000 in Video funding is available per Qualifying Release per year, across all Programs. This means that if you apply for Video support within this Program, it will diminish the amount that can be requested in the Video program (or any other program).
36. Once the Phase I limits have been reached, you may apply within this Program for Phase II of Marketing, Tour, Showcase, and Video Component funding if the release meets the Qualifying Threshold for its primary genre. The Qualifying Threshold for this fiscal year can be found [here](#).
 37. Note that you may also access additional Tour Support and Showcase Components under the stand-alone [Live Performance Program](#), and Video support under the standalone [Video Program](#); however, different eligibility criteria may apply.
 38. It is a condition of funding in all full-length sound recording programs that the funded sound recording must be commercially released in Canada according to the terms of the General Agreement, subject to any extensions explicitly approved by FACTOR.
 39. FACTOR restricts the transfer of ownership and control of full-length sound recordings which it funds under its sound recording programs. Recipients of full-length sound recording funding are obliged, for a period of two years after commercial release, to notify FACTOR of their intention to sell, assign, license or otherwise transfer the control of the sound recording to another party. FACTOR may require 25% of the funding to be repaid when the sound recording is transferred to a non-Canadian label (including major labels). Please see [Business Policies: Disposition of Masters](#) for more details.
 40. Recording must begin within six months of the date of approval or the Offer may be withdrawn. Please see [Business Policies: Deadlines and Extensions](#).

How To Apply

41. Before you can apply, you must have an Applicant Profile, as well as access to an Artist Profile in the FACTOR system. Please go to the [How to Apply page on the FACTOR website](#) for instructions on creating and sharing profiles, followed by how to submit an application.
42. All Applicants should read FACTOR's Glossary of Standard Terms and Business Policies before starting an application.

How Applications are Assessed

43. Please see [Business Policies: Assessment Process – Juried Program](#) and the [Jury Assessment Preparation Guide](#) for tips on how to better prepare your application. Your application must include the following mandatory information and documents (you will be prompted to enter the information or upload the documents as you fill out the online Application):
- Goals & Expected Results
 - Detailed Marketing Plan (see [Marketing Plan Guide](#) for tips)
 - Recording Start Date
 - Detailed information for each track you intend to record, including composers’ names and nationality, and commercial release information
 - Lyrics (where applicable)
 - 2 MP3 Assessment Tracks for 2 of the tracks you intend on recording
 - A description of the changes you intend to make to the MP3 Assessment tracks
44. This table shows how elements of the project are weighted and scored by the Jury:

Songs (Writing, Arrangement, Composition, etc.)	/ 25
Vocals/Lyrics (style, range, *musical dynamic, *emotional impact of song, etc.)	/ 20
Musicality (performance, skill, technique, *interpretation, etc.)	/ 15
Marketing Plan/Presentation (Including additional material submitted)	/ 25
Team (consider organizational capabilities and support network if self-managed)	/ 15
TOTAL	/ 100

**Jurors reviewing Assessment Tracks of Instrumental music or Jazz/Classical “standards” will consider these elements.*

45. You are invited to submit additional material that you feel enhances your Application. Much of this material can and should already be included in your Artist Profile. It should be updated at the time of Application to this Program. Such material may include:
- Professional Photo
 - Producer Biography and/or Credits
 - Up to five recent Press Clippings
 - A document covering your radio chart history, awards and accolades, links to recent videos, tour dates (past and upcoming)
 - Up to five letters of support from agents, labels, distributors, promoters, radio DJs, etc.

Eligible Costs – General Terms

46. These terms apply to all FACTOR Programs. Please see [Eligible Costs – This Program](#) (below) for details related to the Artist Development program. Applicants are strongly advised to read and understand both sections, and to contact FACTOR prior to submitting an Application to ensure eligibility of the proposed costs.
47. Only those costs identified by the Applicant in the Application and approved by FACTOR will be deemed Eligible Costs.
48. As a general rule, Eligible Costs must be bona fide costs paid out-of-pocket by the Applicant to providers that are not employed by or related parties to the Applicant. Non-cash costs are generally ineligible for reimbursement by FACTOR. Applicants are advised to discuss the eligibility of any and all non-cash costs with FACTOR in advance.

49. Where FACTOR allows Eligible Costs to be expended In-House, those costs must be charged, in FACTOR's sole opinion, at verifiable fair market value with no mark-up. For In-House services, the party providing the services must be in the business of, or professionally employed to provide such services. Likewise, allowable costs paid to Related Parties must also be charged at verifiable fair market value with no mark-up. Please see the Program Guidelines and [Component Guidelines](#) for details.
50. Eligible Costs are those paid to Canadians and Canadian owned and controlled companies, for goods and services delivered in Canada. Notwithstanding the foregoing, FACTOR will recognize eligible costs related to non-Canadian Artist Members.
51. Goods and services purchased from individual Canadians living outside of Canada will be deemed Eligible Costs. Goods and services purchased from Canadian-owned businesses physically located outside of Canada will be deemed Eligible Costs provided that the business continues to have significant commercial activity or maintains a head office in Canada.
52. Generally, and unless otherwise explicitly allowed by FACTOR, you may not apply for costs that you have already incurred. Eligible Costs will begin to be deemed eligible after the Application has been received at FACTOR. For clarity: as soon as your application has been received by FACTOR, you may begin incurring Eligible Costs. Costs incurred and paid prior to the submission of an Application are generally deemed ineligible. FACTOR may allow certain earlier costs on a case-by-case basis.
53. Costs incurred after the original Completion deadline, and any FACTOR-authorized extensions to that deadline, are ineligible.
54. Costs must be verifiable with invoices, receipts and Proof of Payment. Unless otherwise noted or explicitly allowed by FACTOR, Proof of Payment must be submitted upon Completion, as a condition of funding.
55. Except for specific costs as noted in the Program Guidelines or the Business Policies, costs will only be deemed Eligible if they are incurred and paid prior to the date of submission of the Completion, or prior to the final Completion Deadline, whichever is earlier. Costs that are incurred after the expiration of a Completion Deadline and any FACTOR-approved extensions to the Completion Deadline will not be allowed, except by express permission of FACTOR.
56. **Cash payments** – for all components excluding Tour Support, Showcase and Business Travel:
- a. Incidental purchases under \$100 (e.g. gas, small goods) must be supported by a cash register receipt.
 - b. Lease or purchase of goods and services under \$500, excluding per diems, must be supported by a detailed receipt issued by the payee indicating clearly all of the following:
 - i. The name and address of the organization or individual who provided the goods or services;
 - ii. The name of the individual who purchased the goods or service.
 - iii. The goods or services purchased in detail, such as item description, quantity, unit price, extended price, additional charges and applicable taxes.
 - iv. The transaction date (including the dates of service or delivery if applicable).
 - c. Per diems under \$500 must be supported by a FACTOR-provided [Receipt for Services form](#) signed by the payee.
 - d. FACTOR will not reimburse expenses paid in cash where the claim is a lease or purchase of goods and services over \$500 including but not limited to: personnel costs, fees for personal services, per diems, studio and equipment rentals, travel fares, hotel rooms, and vehicle rentals. Such costs must be paid by cheque, email transfer, credit card, interbank transfer, wire transfer or money order and supported by a detailed invoice or receipt as described above.
57. **For Tour Support, Showcase and Business Travel components, no limit will be applied to payments made in cash provided that:**
- a. Incidental purchases under \$100 (e.g. gas, small goods) must be supported by a cash register receipt.

- b. Personnel costs, fees for personal services and per diems paid in cash to individual persons must be supported by a FACTOR-provided Receipt for Services form signed by the payee.
- c. Lease or purchase of all other goods and services must be supported by a receipt issued by the payee indicating clearly all of the following:
 - i. The name and address of the organization or individual who provided the goods or services;
 - ii. The name of the individual who purchased the goods or service.
 - iii. The goods or services purchased in detail, such as item description, quantity, unit price, extended price, additional charges and applicable taxes.
 - iv. The transaction date (including the dates of service or delivery if applicable).

58. Receipts in all cases must be sufficiently detailed to show the purchase is connected to the expense claim. Applicants must be able to identify and describe the item(s) or service(s) purchased. FACTOR reserves the right to contact the vendor, and to reject any costs it deems, in its sole opinion, insufficiently supported.

59. **Travel costs**—Travel costs in all Programs must follow the spirit and intent of the Treasury Board Guidelines, namely that these costs do not exceed the rates specified in the [Government of Canada Travel Directive](#). In the event of a discrepancy between a maximum reimbursable cost published by FACTOR and the same cost published by the Treasury Board Guidelines, the lesser cost shall be applied. In addition to the limits proposed by the Treasury Board Guidelines, travel costs in all Programs are subject to the following:

- a. Hotel room or one-bedroom suite: Costs will be recognized at a maximum of \$300 per room or per suite per night, regardless of the number of occupants.
- b. Hotel suite with more than one bedroom, where the suite is occupied by more than one eligible traveler in the same application: Costs will be recognized at the lesser of (a) the actual suite costs; or (b) \$300 per bedroom per night.
- c. Private room, apartment or house rented through a public, commercial agency (e.g. Airbnb), where the claimant is the only tenant of the rental property: Costs will be recognized at a maximum of \$300 per night.
- d. Private rooms, apartment and house rentals rented through a public agency (e.g. Airbnb), and hotel suites with several rooms, where the claimant is sharing the tenancy with other (non-funded) people: Costs will be recognized at the lesser of: (a) the actual room rental cost for one room as indicated on the agency or hotel invoice, to a maximum of \$300 per room per night; or (b) the total rental cost divided by the number of bedrooms in the property, to a maximum of \$300 per night. In the case of a shared tenancy, all tenants will be presumed to have paid a proportional share of the rental cost.
- e. Private, non-commercial accommodation costs (e.g. rooms in privately-owned apartments and houses not rented through an agency) will be recognized at the maximums published by the Travel Directive.
- f. Flight costs, where eligible, will be recognized by FACTOR for economy-rate tickets only (business and first class tickets are not eligible).
- g. No dollar value will be attributable to air miles, frequent flyer points or similar programs. However, FACTOR may recognize a cash fee charged by the points provider.
- h. Applicants are urged to ensure that each person traveling is covered by trip cancellation, health/medical and accident insurance appropriate to the length and location of the visit to the country in which any funded travel occurs. In the event that a trip or any portion thereof is canceled such that all or any portion of approved Eligible Costs is forfeit, the Applicant is required to recover the maximum amount available under its travel insurance. FACTOR will cover 50% of any remaining non-refundable costs.

60. **Ineligible costs** in all Programs include, but are not limited to:

- a. Equipment purchases and purchases of capital assets;
- b. Taxes that are subject to rebate to the Recipient (such as VAT, HST);
- c. Musicians' union dues, penalties, fines, pension contributions and any other union-mandated payments;
- d. CD, vinyl or other music media manufacturing and duplication costs, except where allowed within the allowance for promotional, not-for sale costs.

61. FACTOR reserves the right at all times to allow, disallow, or modify costs. It is advisable to discuss any significant changes to your budget before Completion. If you are uncertain about the eligibility of a cost, please contact FACTOR before incurring that cost. In order for a project and costs to remain eligible, Applicants must notify FACTOR immediately of any significant change to the original Application or budget submitted. A significant change would be one that impacts more than 25% of the budget.
62. In some Programs, FACTOR allows an Administration Fee to be added to the Total Eligible Costs, calculated as a set percentage of those costs. The current schedule of Administration Fees is set out in [Schedule A of the Business Policies](#), and also in the Component Guidelines. The Administration Fee is intended to contribute to overhead costs such as occupancy, staffing, and other day-to-day costs of running a business, which costs cannot be claimed elsewhere in the budget. The Administration Fee is not required to be documented on Completion.
63. The Administration Fee is not required by FACTOR to be paid to a grant writer, administrator, or any other supplier. The amount and method of payment due to a grant writer or any other supplier is a matter of contract between the Recipient and such supplier.
64. **Musicians' fees** - Where applicable, fees paid to musicians will be recognized as follows:
 - a. For sound recording work, musicians' fees will be capped at a rate of \$400 per studio session, to a maximum of one session per track. The day rate includes overtime pay for the session, if any.
 - b. "Leader fees" paid to third-parties will be eligible at up to double the day rate, but only if the session is contracted pursuant to a musician's union contract, and that contract is submitted to FACTOR. Royalty players (i.e. the artist and its members) may not claim a leader fee to FACTOR.
 - c. For live performances, musicians' fees will be capped at a show rate of \$300 per show. The show rate includes all paid performances in one calendar day.
 - d. Cash payments to musicians may only be eligible for FACTOR reimbursement if they conform to the policy on Cash Payments set out above. For reimbursement by FACTOR, the musician's fee must be supported by an invoice from the musician to the applicant, along with proof of payment showing the invoice was paid.
 - e. Per diems paid to musicians will be recognized in addition to the above rates, to a maximum of \$50 per person per day. Claims to FACTOR for reimbursement of per diems paid in cash must be accompanied by a [Receipt for Services](#) form.
 - f. Additional union-mandated payments such as dues, fines, pension contributions, etc. are not eligible for FACTOR reimbursement.
 - g. FACTOR may recognize Donated Services only as follows: (i) in the Artist Development Program, provided that the applicant must submit an Artist's Donated Services form; and (ii) when the Artist is the Applicant, FACTOR will recognize donated services for live performances in a Tour or Showcase component, to a maximum of \$150 per Artist Member, per show. Applicants may not claim Donated Services in respect of Hired Musicians or Hired Crew.

Eligible Costs – This Program

65. The Eligible Costs in this section are specific to the Juried Sound Recording Program. Please also review [Eligible Costs - General Terms](#) (above). Applicants are strongly advised to read and understand both sections, and to contact FACTOR prior to submitting an Application to ensure eligibility of the proposed costs.
66. Generally, and unless otherwise explicitly allowed by FACTOR, In-house and/or Related Party Transactions are capped at a maximum of 25% of the total Eligible Costs. Some exceptions may apply. Please see the [Component](#) rules for the details of eligible and ineligible costs in each Component.

Funding and Payments

Phase 1

Once you have accepted FACTOR's offer of funding, you are eligible for the maximum amount of:

- General Artist : \$47,500
- Artist 2: \$57,500

Some of this funding can be used flexibly, in different components, while some of it must be used for specific costs.

The flexible amount is \$25,000 (General) or \$35,000 (Artist 2) and can be used as follows:

- 75% of your eligible Sound Recording costs to a maximum of \$10,000 (General) or \$15,000 (Artist 2);
- 75% of your eligible Marketing, Tour Support, Showcase and Video costs to a maximum of \$25,000 (General) or \$35,000 (Artist 2) less the Sound Recording payout. Additional annual and other limits apply to funding Tour Support, Showcase and Video – see component guidelines for full details.

The specific amount is \$22,500 (General and Artist 2) and can be used as follows:

- 100% of eligible Radio Marketing costs up to a maximum of \$5,000;
- 75% of eligible international Tour Support costs up to a maximum of \$15,000, for international tours only (this international amount may be combined with the flexible Tour Support funding to a maximum of \$30,000);
- 75% of eligible international Showcase costs up to a maximum of payout \$2,500 (this international amount may be combined with the flexible Showcase funding to a maximum of \$7,500).

Phase 2

If your funded project achieves the Qualifying Threshold, you are eligible for a second phase of funding. The maximum amount is:

- General Artist: \$30,000
- Artist 2: \$40,000

Some of this funding can be used flexibly, in different components, while some of it must be used for specific costs.

The flexible amount is \$25,000 (General Artist) or \$35,000 (Artist 2) and can be used as follows:

- 75% of your eligible Marketing, Tour Support, Showcase and Video costs to a maximum of \$25,000 (General) or \$35,000 (Artist 2)

The specific amount is \$5,000 (General and Artist 2) and can be used as follows:

- 100% of eligible Radio Marketing costs up to a maximum of \$5,000. Note: If you did not spend the full Radio Marketing funding in Phase 1 and your project is eligible for Phase 2 funding, you may apply for both Phases of Radio Marketing funding at once.

Please take note that annual and other limits apply to Tour Support, Showcase and Video funding – see component guidelines for full details.

67. Applicants to every FACTOR program must declare any other Public Funding received or expected to be received toward the same project costs they are claiming to FACTOR. FACTOR's contribution plus any other Public Funding cannot exceed 100% of the project's Total Eligible Budget. See [Business Policies: Public Funding](#).

68. To receive FACTOR funding, you must submit banking information for [Direct Deposit](#).
69. Please note that the funding received from the Juried Sound Recording Program counts toward the New Musical Works portion of the Annual Funding Cap (see [Business Policies: Annual Funding Cap](#)).
70. For JSR Program funding, FACTOR issues advance payments with consideration to the timing of each Component of a Project. FACTOR will issue an advance payment of 50% of the approved funding request for one or more active Components, to a limit not exceeding \$20,000 in advance payments outstanding per Project, across all Components, at one time. A final payment will be issued for the final approved Offer amount after a Completion has been submitted and review by FACTOR for each completed Component. If a Project has further active Components, FACTOR may issue further advances after initial Components have been completed.
71. FACTOR may award the full amount requested in the Application, but reserves the right to award a lesser amount based on its assessment of the Applicant's proposed expenses, or based on the total amount of funding available, or for any other reason.

Project Completion

72. Please see the Component rules for the detailed completion requirements of each Component.
73. If approved, you will be given a Completion deadline to finish your recording. On or before that deadline, you must compile and organize all invoices, receipts and Proofs of Payment, then enter the amounts being claimed into the FACTOR Cost Report which can be downloaded from the Budget page of the Completion. Applicants must then upload the Cost Report along with all related payment documentation, then complete and submit all other sections of the online Completion for the project component. As part of your Completion, you must also upload a finished digital copy of the sound recording, a copy of all the lyrics plus all the artwork and metadata. If manufacturing physical copies for sale, you must deliver to FACTOR a finished physical copy of the sound recording, plus all the artwork, MP3s of the finished recordings along with lyrics, songwriting and production credits to FACTOR.
74. Once submitted to FACTOR, the Completion will be deemed by FACTOR to be the Recipient's true, accurate, and final accounting, and may not be unsubmitted, amended or deleted.
75. Remember that this funding only covers 75% of the Total Eligible Budget. You are required to spend at least 25% of the costs out of your own pocket. For example, in order to achieve the maximum funding of \$10,000, you must have spent and be able to show receipts for at least \$13,333 in expenditures.
76. Logo Requirements: You must acknowledge FACTOR on all physical and digital copies of the release, and/or wherever production credits for the track are listed, such as in the artwork and the metadata of the digital file. You must also provide the appropriate logo and acknowledgment on any press and marketing materials, promotional items, and audiovisual materials produced under this Program. Please see [FACTOR's Logo and Acknowledgment Guide](#).

Sound Recording Component Guidelines 2018-2019

Published April 1, 2018

Eligible Artists

1. To be eligible for funding under the Sound Recording Component in any Program, the Artist must be Canadian. See [Business Policies: Canadian Citizenship and Company Criteria](#).

Funding Limits

2. The funding limit for the Sound Recording Component varies by each Program. Please see the [Program Guidelines](#).

Eligible Sound Recordings

3. Funding under the Sound Recording Component must always be used to produce a Qualifying Album, and under some Programs, to license an already-produced but unreleased Qualifying Album. To be considered a Qualifying Album, the final sound recording must:
 - a. Be performed by a Canadian Artist and meet FACTOR's MAPL criteria for Canadian content (see [Business Policies: MAPL Certification](#));
 - b. Be a full-length album or [track equivalent album](#) of at least six tracks, or run over 20 minutes in duration;
 - c. Be comprised of all new sound recording masters that, as of the date of application, have not been previously [Commercially Released](#);
 - d. Have lyrics that are at least 50% English or any language other than French, (French-language sound recordings may be supported by [Musicaction](#)).
4. It is a condition of funding in all full-length sound recording programs that the funded sound recording must be commercially released according to the terms of the General Agreement, subject to any extensions explicitly approved by FACTOR.
5. You are obligated as a condition of funding to include the appropriate logos and acknowledgment in all materials created in a FACTOR-funded project. Please review the [Logo and Acknowledgment Guide](#) for specific instructions. Remember, the failure to provide appropriate logos and acknowledgment could result in a loss of some or all of your funding.
6. Please see the [Specialized Information tip sheet](#) if you are working in a genre such as HIP HOP, DANCE, ELECTRONIC, REGGAE and the music production involves samples, beats, riddims, dubplates, multiple producers or guest artists – for more information regarding eligible projects and costs.

Eligible Costs – Sound Recordings

7. The Eligible Costs in this section are specific to the Sound Recording Component. Please also review [Eligible Costs – General Terms](#) as well as the [Eligible Costs – This Program](#) in the Program Guidelines for the Program under which you are applying. Applicants are strongly advised to read and understand these sections, and to contact FACTOR prior to submitting an Application to ensure eligibility of the proposed costs.
8. FACTOR funding under the Sound Recording Component will cover either 50% or 75% of the Total Eligible Budget, to the Program maximum. Please see the Program Guidelines for the Program under which you are applying.
9. In all Programs, FACTOR will only recognize the costs which it deems Eligible Costs in the budget. FACTOR will remove ineligible costs from the budget, and the FACTOR contribution may be reduced accordingly.
10. Sound Recording Component funding can be used to pay for the cost of recording and producing a high-quality Qualifying Album. Eligible costs can include, for example:
 - Studio time
 - Hiring an engineer, producer and musicians
 - Renting recording equipment
 - Mixing and mastering
 - Graphic design for album artwork
11. Under some Programs, Record Label Applicants rated 2 or higher may use the Sound Recording Component funding to license an already-produced Qualifying Album. Please see the [Program Guidelines](#).
12. Generally, costs must be paid to Canadian companies located in Canada or paid to Canadian citizens/permanent residents for work performed within Canada, the exception being non-Canadian members of the Artist group, (see [Business Policies: Eligible Costs – General Terms](#)).
13. If the production is approved to take place outside of Canada, FACTOR may allow Artist fees, travel costs and per diems for Canadian musicians (including non-Canadian Artist members) and personnel traveling outside of Canada, on a case-by-case basis. If you intend to record outside of Canada, you are encouraged to discuss it with your Project Coordinator in advance of making an application, and provide a thorough explanation in your application.
14. FACTOR may allow, on a case-by-case basis, the costs of a non-Canadian producer coming to work in a Canadian recording studio located in Canada, and provided that the majority of tracking and production occurs in Canada in a Canadian studio. Such costs may include travel, accommodation and producer fees. If you intend to request non-Canadian costs, you are encouraged to discuss it with your Project Coordinator in advance of making an application, and provide a thorough explanation in your application.
15. Costs to complete partially finished productions and remixes will be considered. Recorded but unfinished masters may qualify for funding to finish production of the sound recording, such as mixing, mastering, and artwork.
16. FACTOR will not recognize any costs related to songwriting or composition of music and lyrics, or any other costs related to the underlying copyrights in the compositions. Arranger fees may be recognized when they are paid to a third party (not the artist) who is hired on a fee-for-service basis to create an arrangement specifically for the funded sound recording and where that arranger does not have ownership in any of the resulting copyrights.
17. Pre-production costs must be paid to third parties and may not exceed 25% of Eligible Costs in the Sound Recording Component. FACTOR does not recognize any in-house costs for pre-production. Please note that FACTOR will only recognize pre-production costs incurred after the date of application.

18. Producer fees for projects produced by Related Parties will be capped to 25% of total eligible costs and a maximum producer fee of \$20,000/FACTOR contribution of \$10,000. For example: where the Applicant is a Record Label and the Producer is an owner of the Record Label, FACTOR will contribute a maximum of \$10,000 to the producer fee.
19. Session musicians' rates will be recognized at the maximums set out at in the Program Guidelines at [Eligible Costs – General Terms](#).
20. FACTOR will recognize a maximum number of sessions per musician equal to the number of tracks on the final project (one track equals one session).
21. Generally, and unless otherwise explicitly allowed by FACTOR, In-house and/or Related Party Transactions are capped at a maximum of 25% of the total Eligible Costs. Applicants must disclose all In-house, Related Party and non-arm's length transactions in the Expense Details section of both the Application Budget spreadsheet and Completion Cost Report spreadsheet.
22. In general you should avoid paying for expenses in cash, as FACTOR does not reimburse all cash expenses. Please see the Program Guidelines under [Eligible Costs – General Terms](#), or the [Business Policies: Eligible Costs - General Terms](#), for detailed information on cash payments.
23. **Self-Production Allowance:** If the Artist is the Applicant, FACTOR will not allow a producer fee to the Artist who self-produces or takes a co-producer credit. Producer fees will only be recognized when paid to a third party. However, FACTOR will allow the Artist who self-produces to claim a Self-Production Allowance.
24. To claim the Self-Production Allowance, the Artist or a member of the Artist band must perform at a minimum all of the engineering/tracking. The Self-Production Allowance may also include studio rental, mixing and mastering (see below). The Self-Production Allowance is:
 - **Full Length Sound Recording:** up to \$500 per track for a maximum of 10 tracks (production costs for tracks over 10 can be claimed separately if done by a third party provider)/\$5,000 total for the project.
25. Studio rental, if provided by the Artist or a member of the Artist band, will be included in the Self-Production Costs. However, if the Artist claims the Self-Production Allowance and third party studio rental, the studio rental cost will be deducted from the Self-Production Allowance to the maximum of 10 tracks/\$5,000 for the full-length recording. Additional third-party studio time will be allowed as a third-party cost.
26. Mixing, if performed by the Artist or a member of the Artist band, will be included in the Self-Production Costs. However, if the Artist claims the Self-Production Allowance and a third party mixing engineer's fees, the mixing cost will be deducted from the Self-Produced Allowance, to the maximum of 10 tracks/\$5,000 for the full-length recording. Additional third-party mixing fees will be allowed as a third-party cost.
27. Mastering, if performed by the Artist or a member of the Artist's band, are included in the Self-Production Allowance. However, if mastering is performed by a third-party mastering engineer, the cost will be allowed separately as a third-party cost (and will not be deducted from Self-Production Allowance).
28. In the event that the Artist claims the Self-Production Allowance, but then also claims third-party studio time and/or mixing fees that, when deducted from the Self-Production Allowance, then bring the Self-Allowance to zero, then no Self-Production Allowance will be available but all third-party costs will be allowed (subject to the Program Guidelines).

29. Applicants are expected to spend a majority of funds on third-party, out-of-pocket costs. In-house and Related Party costs (including payments to the Artist or members of the Artist band) may not exceed 25% of the Total Eligible Costs. Any amount of Self-Production Allowance will be considered In-House Costs. In some cases, if the amount of third party expenditures is comparatively low, the Self-Production Allowance will be adjusted down. See Examples.

TIP: To find the amount of in-house costs the Applicant can claim, where the maximum is 25% of Total Eligible Costs, add up the total eligible third party costs and divide that number by 3. The result is the total allowable In-House amount.

30. EXAMPLES:

- a. This band got a Juried Sound Recording grant worth up to \$10,000 for the sound recording component. The guitar player has a home studio in her basement. Her band lays down 12 tracks in the basement studio. Then they decide to hire a mixing engineer and a mastering engineer. The mixing cost is \$200/track (\$2,400) and the mastering is a flat fee of \$2,000 for the album. This band can claim:
- i. The Self-Production Allowance of \$5,000, less \$2,000 for the mixing (maximum of 10 tracks x \$200/track – the other two tracks can be claimed separately as third party costs) for a total of \$3,000 ****to be reduced by overall program cap, see below**
 - ii. Third party mixing fees of \$2,400
 - iii. Third party mastering fees of \$2,000

The band has spent a total of \$4,400 on Third party costs (ii + iii). Therefore the band can claim a maximum of \$1,466 in in-house costs (see [Tip](#), above). Because the Self-Production Allowance is considered an in-house cost, it will be reduced to \$1,466. Therefore, the Total Eligible Costs for this project will be \$5,866 (ii + iii + \$1,466 maximum eligible in-house costs).

- b. This band (Artist Rated 2) got a Juried Sound Recording grant worth up to \$15,000 for the sound recording component. They rent a studio at a cost of \$300/day (no engineer) for 7 days. They hire a third-party producer at a flat fee of \$5,000 for the album. They do their own tracking and mixing for 8 songs, and hire a mastering engineer separately at a cost of \$1,500. This band could claim:
- i. The Self-Production Allowance of \$4,000 (8 tracks x \$500/track), less the studio rental of \$2,100, for a total of \$1,900
 - ii. Third party studio rental of \$2,100
 - iii. Third party producer fee of \$5,000
 - iv. Third party mastering fees of \$1,500

This band spent \$8,600 on third party costs (ii + iii + iv); therefore, the band can claim a maximum of \$2,866 in in-house costs (see [Tip](#), above). The Self-Production Allowance of \$1,900 is considered in-house, so they are allowed up to \$966 additional in-house costs. If they claim those additional in-house costs (on, for example, Artist's performer fees), the Total Eligible Costs for this project will be \$11,466.

31. Ineligible Costs for Sound Recordings include, but are not limited to:

- a. Most expenses paid for in cash (see [Business Policies: Cash Payments](#)).
- b. Duplication and manufacturing expenses.
- c. Management and legal fees.
- d. Purchases of equipment, musical instruments and related supplies.
- e. Transportation, food, hotel and hospitality expenses for local recording activities. These costs may be considered for out-of-town personnel on a case-by-case basis.
- f. Any [In-Kind or Donated Services](#).

- g. Except as noted for members of the Artist group, non-Canadian musicians and personnel may participate in recording sessions but their fees and expenses will not be considered Eligible Costs.
 - h. Distribution costs, including fees and set-up costs.
 - i. Mechanical royalties and associated costs.
32. Administration Fees for the Sound Recording Component are calculated automatically in the online system. See [Business Policies: Schedule A - Administration Fees](#) for the maximum amounts.

Component Completion

Please review the [Completion Guide](#) for detailed instructions.

33. For every component of the project, Applicants must compile and organize all invoices, receipts and Proofs of Payment, then enter the amounts being claimed into the FACTOR Cost Report which can be downloaded from the Budget page of the Completion component. Applicants must then upload the Cost Report and all related expense documentation, then complete and submit all other sections of the online Completion (including Budget, Results, Component Information, Public Funding).
34. Once submitted to FACTOR, the Completion will be deemed by FACTOR to be the Recipient's true, accurate, and final accounting, and may not be unsubmitted, amended or deleted.
35. In addition to the Program completion requirements, to complete the Sound Recording Component the Applicant must:
- a. Submit a copy of the finished sound recording in MP3 format, along with lyrics, songwriting and production credits. MP3s should be uploaded to the Component Information section of the online Completion Report. Please see [Business Policies: Completion Reports and Delivery of Completion Materials](#) for details.
 - b. Upload a copy of the album artwork. This should be the finished graphics for the Commercial Release, and must include the required acknowledgement and logo(s). Please see [Business Policies: Logo and Acknowledgment](#) for details.
 - c. Submit a [Supplier's Declaration and Undertaking](#) signed by the Producer of the sound recording.
 - d. Submit a Studio Work Log for each production studio involved in the project. You may use the [FACTOR Studio Work Log Template](#), or any form of studio log as long as it includes: Studio Name, Studio Address, Recording Date(s), Start and End Time(s), a description of the work done, Artist Signature, Studio/Producer/Engineer Signature.
 - e. Submit [Letters of Direction to Pay](#) (maximum three per Project). These Letters are voluntary on the part of the Applicant, who may prefer to have FACTOR pay certain suppliers directly.
 - f. After Completion and no later than 30 days after Commercial Release of the funded sound recording (this the Product Submission deadline) you must also deliver to FACTOR via email, as a Zip file or by providing a link to a preferred file sharing site (e.g. Dropbox): a digital copy in MP3 format of the final, as-released version of the funded sound recording, including the final, required metadata [thumbnail artwork, FACTOR logo and acknowledgement text (where possible), Canada wordmark (if applicable, where possible), Government of Canada acknowledgement (if applicable, where possible), track artist, track title, track time/duration, track number]; and a digital copy of the final, as-released album artwork clearly showing the required logos and acknowledgments. If manufacturing physical copies for sale, a finished, retail-ready copy in any physical format may also be required.

6. You are obligated as a condition of funding to include the appropriate logos and acknowledgment in all materials created in a FACTOR-funded project. Please review the [Logo and Acknowledgment Guide](#) for specific instructions. FACTOR will require that materials printed and/or distributed, including videos uploaded for public viewing, without proper logo and acknowledgment be taken down and revised. Remember, the failure to provide appropriate logos and acknowledgment could result in a loss of some or all of your funding.

Funding Limits

7. The funding limit for the Marketing Component varies by each Program. Please see the Program Guidelines for the Program you are applying under.

Eligible Costs - Marketing

8. The Eligible Costs in this section are specific to the Marketing Component. Please also review [Eligible Costs - General Terms](#) as well as the [Eligible Costs - This Program](#) in the Program Guidelines for the Program under which you are applying. Applicants are strongly advised to read and understand these sections, and to contact FACTOR prior to submitting an Application to ensure eligibility of the proposed costs.
9. FACTOR funding under the Marketing Component will cover either 50% or 75% of the Total Eligible Budget, to the Program maximum. Please see the Program Guidelines for the Program under which you are applying.

11. Marketing funding can be used to pay for the cost of marketing initiatives that are specific to the Artist and approved Qualifying Album. Eligible costs can include, for example, publicity, radio tracking, print, radio and TV advertising, and digital and social marketing initiatives. In addition:
 - a. Printed materials including posters, handbills, and banners are eligible without limit as to number of units or cost.

12. Generally, and unless otherwise explicitly allowed by FACTOR, In-house and/or Related Party Transactions are capped at a maximum of 25% of the total Eligible Costs. In addition:

- a. When the Applicant is a record label, personnel and salary costs for existing/regular employees and contractors of the company working on the approved sound recording project will be accepted as Eligible Costs and not capped as in-house costs provided that the services are directly in support of the sound recording project and fall into the category of: Marketing, Publicity/PR, Social Media/Online Marketing, Graphic Design/Artwork/Photography, new website design/development (not web maintenance). - b. Any costs for initiatives previously claimed within another FACTOR supported project.
- c. Contest prizes, unless they meet the definition of “promotional merchandise” set out above.
- d. Costs associated with applications for prize or award nominations.
- e. Donated Services.

14. Administration Fees for the Marketing Component are calculated automatically by the online system. See [Business Policies: Schedule A – Administration Fees](#) for the maximum amounts.

16. Once submitted to FACTOR, the Completion will be deemed by FACTOR to be the Recipient’s true, accurate, and final accounting, and may not be unsubmitted, amended or deleted.
17. Applicants who prefer to have FACTOR pay certain suppliers directly may submit up to three [Letters of Direction to Pay](#).

Tour Support Component Guidelines

2018-2019

Published April 1, 2018

Eligible Artists

1. To be eligible for funding under the Tour Support Component across all Programs, the Artist must be Canadian. To be eligible in the Live Performance Program, the Artist must be rated 2 or 3. All other Artists who have a full-length FACTOR-funded sound recording project in progress should apply through the Tour or Showcase component of their sound recording program for live performance funding.
2. Artists eligible for support from the Radio Starmaker Fund (RSF) are eligible for FACTOR Tour Support through the Tour Support Component of any Program. However, FACTOR will not fund the same tour dates nor the same expenses as RSF. Therefore, you may only apply to FACTOR for a different set of tour dates. In addition, in the event of an oversubscription to the Live Performance Program, FACTOR will give priority to applications from those Artists who are ineligible to apply to RSF.

Funding Limits

3. The funding limits for the Tour Support Component in 2018-2019 are as follows:
 - Artist 3: **\$35,000**, of which a maximum of \$20,000 can be spent on domestic touring and up to the full \$35,000 can be spent on international touring.
 - Artist 2 and General (see *Note): **\$30,000**, of which a maximum of \$15,000 can be spent on domestic touring and up to the full \$30,000 can be spent on international touring.

*Note: General Artists may not apply for Tour Support in the Live Performance Program; however, the Tour Support Component is available to General Artists through all full-length sound recording and marketing programs.

These limits include the Showcase Component maximums and apply across all Programs. This means that regardless of what Program you apply under, or which Applicant applies, the amount of Tour Support funding available for the Artist will not exceed the above limits in each FACTOR fiscal year.

The new [Remote Communities Allowance](#) will not count toward the annual limit.

Eligible Tours

4. A Tour Date is a calendar date on which the Artist is contracted to publicly perform during a Tour. A Tour Date must be contracted and paid in some form of cash consideration, such as a guaranteed fee or a share of revenues, or a combination of both. The Tour Date must be able to be verified with Proof of Performance upon Completion. All performances taking place during one calendar day constitute one Tour Date.
5. For the Tour Component of the Live Performance Program, an eligible Tour consists of a minimum of eight confirmed dates, at least six of which must be paid Tour Dates with a minimum set length of 30 minutes.

6. When the Tour Component is part of a sound recording or marketing program, there is no minimum number of Tour Dates that constitute a Tour, and no limitation in the number of Tour Dates that are home shows, school shows, or return engagements (for FACTOR's purposes, a return engagement is when the artist is booked to perform at a venue the artist has played previously on the same tour). However, the annual funding limit per Artist will be applied based on funding derived from the Tour Component in all Programs.
7. Applicants must apply at the latest one calendar day in advance of the tour start date and no earlier than six months in advance of the tour start.
8. The Tour should be continuous and scheduled with no extensive breaks between dates, (an "extensive break" generally means more than five days off, depending on the territory being toured, but FACTOR will allow exceptions where the tour is a significant distance from the artist's home city). "Residencies" (where the Artist performs in the same venue on more than two consecutive nights, or on the same night in more than two consecutive weeks) are ineligible for Tour Support in all Programs.
9. The Applicant must provide notes on their Goals and Expected Results, including a description of the Tour, the Artist's commercial history, notable successes, and current opportunities in the Territory being toured, along with confirmation that the Tour Dates have been booked. Such confirmation could include a performance contract, the booking agent's itinerary, or an email from the venue or promoter that the tour date is confirmed. These confirmations should include the date, city, venue, capacity, set length and contracted performance fee.
10. When a Tour includes a conference showcase date, the corresponding conference registration fees are eligible and the official Showcase Invitation must be included with the Application.
11. You are obligated as a condition of funding to include the appropriate logos and acknowledgment in all materials created in a FACTOR-funded project. Please review the [Logo and Acknowledgment Guide](#) for specific instructions. Remember, the failure to provide appropriate logos and acknowledgment could result in a loss of some or all of your funding.

Eligible Costs – Tour Support

12. The Eligible Costs in this section are specific to the Tour Support Component. Please also review [Eligible Costs – General Terms](#) as well as the [Eligible Costs – This Program](#) in the Program Guidelines for the Program under which you are applying. Applicants are strongly advised to read and understand these sections, and to contact FACTOR prior to submitting an Application to ensure eligibility of the proposed costs.
13. FACTOR funding under the Tour Support Component will equal the lesser of (i) the approved Offer, or (ii) the final subsidy calculation plus Administration Fee, or (iii) 75% the Total Eligible Budget; to the Program maximum.
14. Tour Support Component funding is calculated as a flat rate per Eligible Tour Date (the "Total Subsidy"), the base rate of which is based on the number of Eligible Travelers, with additional amounts for the distance traveled and the venue capacity. Venue Capacity must be verifiable.
15. An Eligible Traveler is a person who is:
 - a. a credited, full-time member of the Artist group; or
 - b. a Hired Musician or Eligible Crew member whose paid services have been engaged by the Artist for the duration of the Tour;
 - c. a person who is not receiving funding to attend the Tour or Showcase under the Business Travel Component; AND
 - d. who has been approved by FACTOR as an Eligible Cost.

16. A Hired Musician is a musician who is hired to provide his or her services on a contracted, project basis, in exchange for wages. If claimed as an Eligible Cost, the Hired Musician must be Canadian unless otherwise approved by FACTOR. A full-time member of the Artist, or an Eligible Crew member, cannot also be claimed as a Hired Musician.
17. An Eligible Crew member is a person hired by the Artist for a Tour to provide only the services of Tour Manager, Driver, Road/Equipment Technician, Lighting Technician, Sound Mixer, Merchandise Seller, or Nanny hired to care for the Artist’s children on tour or a combination of the foregoing, in exchange for wages. If claimed as an Eligible Cost, the Eligible Crew member must be Canadian unless otherwise approved by FACTOR. If claimed in the final Completion Budget, Eligible Crew must travel with the Artist for all or a substantial portion of the Tour. An Eligible Crew member cannot also be claimed as a member of the Artist or as a Hired Musician.
18. A signed agreement or Deal Memo for Hired Musicians and Eligible Crew must be submitted on Application. It should set out at a minimum the names of the contracting parties, a description of the services to be provided, the rate of pay, and the dates for which the person is being hired. [A Sample Deal Memo is available on the FACTOR website.](#)
19. Per diems will be recognized to a maximum of the number of days on the tour (including travel days) plus two days before the first tour date and two days after the last tour date. Per diems are recognized to a maximum of \$50 per person per calendar day.
20. ***NEW Remote Communities Allowance:** You may now claim an additional airfare subsidy for any Eligible Travelers who reside in Canada in a Remote Community and who must fly out to work on the tour or showcase as follows:
 - a) “Remote Community” means the home is more than 300 km/3 hours ground travel from the following international airports: Toronto, Vancouver, Montreal, Calgary, Edmonton, Ottawa, Winnipeg, Halifax, Victoria, Kelowna/Okanagan Valley, Quebec City, St. John’s, Saskatoon, Regina.
 - b) The additional subsidy only applies when the Eligible Costs include airfare for the Eligible Traveler to fly from the international airport nearest their home at the start of the tour, and returning to that same airport, or another of the listed airports, at the end of the tour.
 - c) The subsidy will be added as one lump sum per each traveler per tour on top of the calculated subsidy. The Allowance amounts are:

Alberta - \$300	Northwest Territories - \$800	Quebec - \$300
British Columbia - \$300	Nova Scotia - \$300	Saskatchewan - \$300
Manitoba - \$300	Nunavut - \$1,000	Yukon Territory - \$800
New Brunswick - \$300	Ontario - \$600	
Newfoundland & Labrador - \$600	Prince Edward Island - \$300	

- d) The Remote Communities Allowance will not count toward the artist’s annual funding limit. However, it will count towards the final calculation of the offer amount.
21. A Subsidy Calculator is embedded in the Tour Support Component in the Online System and will be available when you apply. For reference, see the rates below, which are effective April 1, 2017.

Tour Date	A = Base Rate	B = Territory	C = Venue Capacity	D=Subsidy per Tour Date
First Tour Date	Add up the Eligible Travelers. The result equals A. First Eligible Traveler = \$200 Each additional Eligible Traveler = add \$75 To a max. of 8 Eligible Travelers	Multiply A using these rates. The result equals B. Canada* = n/a US X 50% UK/Europe x 80% Rest of World x 140% * B for Canada will always = 0	Multiply (total of A+B) using these rates. The result equals C. Under 200* = n/a 200-349 = x 25% 350 - 499 = x 40% 500 +/Major Festivals =x 50% * for venues under 200 will always = 0	A+B+C=D
For each Tour Date	Do as above	Do as above	Do as above	Do as above
			Then calculate the sum of Column D.	THE SUM OF THIS COLUMN IS THE TOTAL SUBSIDY

22. Although Tour Support funding is calculated as a subsidy, you will have to submit a final budget on Completion. FACTOR will only recognize and reimburse up to 75% of the Eligible Costs in your budget. If you claim costs that are ineligible, FACTOR will remove them from the budget and your subsidy may be reduced accordingly. If you have any questions about the eligibility of a particular cost, please contact FACTOR in advance.
23. Generally, and unless otherwise explicitly allowed by FACTOR, Eligible Costs are those paid to Canadians and Canadian owned and controlled service suppliers, the exception being non-Canadian members of the Artist group. Eligible Crew must be Canadian unless otherwise approved by FACTOR. FACTOR may make an exception if the cost of hiring non-Canadian musicians and tour personnel who are resident in the territory being toured is significantly more cost effective; however, this must be approved in advance by FACTOR.
24. Travel fares, registration and accommodation expenses that are booked and paid before submission of the Tour Support application may be eligible, provided that those costs must be clearly connected to the tour.
25. When a privately-owned vehicle is used, the Eligible Cost will be tallied at an all-in gas and mileage rate of \$0.50/km. Applicants will be required to submit odometer readings taken before and after the Tour. If the all-in private vehicle rate is claimed, then gas receipts will not be eligible. [A Vehicle Log is available here.](#)
26. Basic vehicle maintenance costs resulting from tour travel, such as oil changes, are allowable. FACTOR reviews these costs on a case-by-case basis, and the dates of the costs must be consistent with the dates of the tour.
27. Both vehicle costs and airfare are eligible.
28. Pre-tour expenses, such as rehearsal time, will be capped at 15% of Total Eligible Costs.
29. Costs of designing, manufacturing and producing items of non-music merchandise sold on the Tour (e.g. t-shirts, tote bags etc.) will be considered Eligible Costs. For non-Canadian tours, the costs of non-music merchandise items manufactured outside of Canada may be eligible. Manufacturing receipts or account statements from label or distributor showing the per-unit cost must be provided at completion to claim these costs.

30. The costs of not-for-sale promotional CDs, vinyl, and dropcards are eligible to an aggregate maximum of 500 units. Manufacturing receipts or account statements from label or distributor showing the per-unit and total cost must be provided at Completion to claim these costs.
31. Merchandise shipping costs within Canada and to destinations outside of Canada will be allowed as Eligible Costs.
32. In the Live Performance Program only, the cost of printed materials, such as handbills, posters, banners etc., will be capped at \$400 per Tour.
33. Musical supplies subject to normal wear and tear, such as guitar strings, drum skins, and batteries may be Eligible Costs; however, capital purchases of musical instruments and equipment, or PA equipment, are considered equipment purchases (not supplies), and are ineligible.
34. Equipment purchases will be recognized up to a maximum of 10% of the total cost of the purchase. Date of the purchase receipt must be consistent with the dates of the tour.
35. Buy-on fees for the tour will be reviewed by FACTOR on a case-by-case basis and may be refused or capped as FACTOR deems reasonable.
36. For Tour Support, Showcase and Business Travel components, no limit will be applied to payments made in cash, provided that:
 - a) Incidental purchases under \$100 (e.g. gas, small goods) must be supported by a cash register receipt.
 - b) Personnel costs, fees for personal services and per diems paid in cash to individual persons must be supported by a FACTOR-provided [Receipt for Services form](#) signed by the payee.
 - c) Lease or purchase of all other goods and services must be supported by a receipt issued by the payee indicating clearly all of the following:
 - i. The name and address of the organization or individual who provided the goods or services;
 - ii. The name of the individual who purchased the goods or service.
 - iii. The goods or services purchased in detail, such as item description, quantity, unit price, extended price, additional charges and applicable taxes.
 - iv. The transaction date (including the dates of service or delivery if applicable).
37. Receipts in all cases must be sufficiently detailed to show the purchase is connected to the expense claim. Applicants must be able to identify and describe the item(s) or service(s) purchased. FACTOR reserves the right to contact the vendor, and to reject any costs it deems, in its sole opinion, insufficiently supported.
38. Artist and Hired Musician fees will be capped at \$300 per show. Donated Services are ineligible when the Applicant is a party other than the Artist. When the Applicant is the Artist, FACTOR will recognize Donated Services for Artist Members to a maximum of \$150 per Artist member per day. Donated services may no longer be claimed for Hired Musicians and Eligible Crew. Donated Services in total cannot exceed 25% of Total Eligible Costs. Please see [Business Policies: Donated Services](#).
39. In-House costs are allowed in this component. Generally, and unless otherwise explicitly allowed by FACTOR, In-house and/or Related Party Transactions are capped at a maximum of 25% of the total Eligible Costs. In any event, Artist Members performance fees will not count towards the In-House cap.
40. FACTOR will recognize third-party Booking Agency Fees and Commissions up to 20% of negotiated and verified Performance Income. A statement, invoice or settlement sheet showing commission payable must be provided at completion to claim this cost.
41. FACTOR will recognize third-party Artist Management Fees and Commissions up to 20% of verified Performance Income. A statement, invoice or settlement sheet showing commission payable must be provided at completion to claim this cost.

42. Local ground transportation (such as taxis and public transit costs) and parking costs are eligible up to a maximum of \$100 per day.

 - f. Vehicle rental expenses for a privately-owned vehicle.
 - g. Traffic tickets.

These are deemed by FACTOR to be promoter’s costs, and are not eligible for FACTOR reimbursement.
44. Administration Fees for the Tour Support Component will be calculated automatically in the online system. See [Business Policies: Schedule A - Administration Fees](#) for the maximum amounts.

Component Completion

Please review the [Completion Guide](#) for detailed instructions.

45. For every component of the project, Applicants must compile and organize all invoices, receipts and Proofs of Payment, then enter the amounts being claimed into the FACTOR Cost Report which can be downloaded from the Budget page of the Completion. 46. In addition to the Program completion requirements, to complete the Component and receive the final payment (if any), Applicants must:
- a. Submit Proof of Performance (uploaded to each Tour Date in your online Completion) that each performance took place and was performed as contracted. As Proof of Performance, FACTOR will accept a copy of the promoter’s settlement sheet, or the booking agency’s final statement. These must indicate the date, city and venue and indicate the final payment received. Tour itineraries, posters and print ads will not be accepted as Proof of Performance; however, FACTOR may accept ticket stubs or media reviews on a case-by- case basis.

Showcase Component Guidelines 2018-2019 *Published April 1, 2018*

Eligible Artists

1. To be eligible for funding under the Showcase Component in any Program, the Artist must be Canadian.
2. Artists eligible for support from the Radio Starmaker Fund (RSF) are eligible for FACTOR Showcase funding; however, FACTOR will not fund the same showcase dates nor the same expenses as RSF. Therefore, you may only apply to FACTOR for non-RSF-funded showcase dates. In addition, in the event of an oversubscription to the Live Performance Program, FACTOR will give priority to applications from those Artists who are ineligible to apply to RSF.

Funding Limits

3. The funding limit for the Showcase Component in 2018-2019 is **\$7,500 per Artist** of which a maximum of \$5,000 can be spent on domestic showcasing and up to the full \$7,500 on international showcasing, across all Programs.

This means that regardless of what Program you apply under, or which Applicant applies, the amount of Showcase funding available for the Artist will not exceed \$7,500 in each FACTOR fiscal year. Note that any funding awarded in the Showcase component will be deducted from the annual [Tour Support](#) limit for the artist.

The new [Remote Communities Allowance](#) will not count toward the annual limit.

Eligible Showcases

4. A sample list of [Eligible Showcase events](#) is available on the FACTOR website. This is not an exhaustive list of eligible Showcase events; if your event is not on the list, please review the policy below, and contact FACTOR before applying.
5. A Showcase confirmation (such as an official invitation or a performance contract) must be included with your application.
6. FACTOR defines a Showcase as a performance for a target audience of music industry professionals more so than the general public. Eligible Showcases are often part of a larger music industry event or conference. The event organizer's goal for the Showcase must be to provide an opportunity for artists to attract the interest of potential industry partners, such as booking agents, managers and record labels. The Showcase must be organized and presented by a party that is unrelated to the Artist. The Artist must be invited by the event organizers to showcase either through a curation process that is open to the public, or by invitation along with other artists who are unrelated (i.e. not signed to the same label or manager).
7. A private showcase organized by the Artist's own record label, publisher, manager or other music business, that features only Artists represented by the organizer, will not be recognized as an eligible Showcase for this Component.

8. A “no-case” (an unofficial showcase that takes place during the dates of a conference or festival, but is not officially recognized and/or promoted by that conference or festival) may be eligible provided it is organized to coincide with a significant music event (such as a showcase event, festival or conference) and you can demonstrate that music industry professionals have been invited to the no-case and can be reasonably expected to attend. As with all eligible Showcases, the no-case must be organized and presented by a third party.
9. Other private showcases, including ongoing series or annual events, may be considered by FACTOR if they are organized by a third party, feature multiple, unrelated artists, are intentionally targeted toward industry professionals, and offer genuine new business opportunities for the participating artists.
10. If your event is not on the Showcase list and you think it should be, please contact your Project Coordinator, who will ask you to provide supporting documentation about the nature of the event.
11. Each Showcase Component within an Application can cover multiple performances at any one Showcase event. For clarity, if the Artist is invited to showcase at an event and performs three times while there, that is one Showcase and equals one subsidized date, not three.
12. An Applicant may add as many Components to an Application as there are confirmed Showcases, to the Component funding limit or the Program funding limit, whichever is achieved first.
13. Each Showcase must take place at least 300km/3 hours’ drive away from the Artist’s home city. If the Artist band members live in different cities, then the Showcase location must be least 300 km/3 hours’ drive away from the city where half or more of the Artist members live.
14. Applicants must provide specific details as to the strategic merits of the Showcase in the Goals and Expected Results section. You must upload a list of industry personnel whom you have invited to the Showcase, including their name, title and company.
15. You are obligated as a condition of funding to include the appropriate logos and acknowledgment in all materials created in a FACTOR-funded project. Please review the [Logo and Acknowledgment Guide](#) for specific instructions. Remember, the failure to provide appropriate logos and acknowledgment could result in a loss of some or all of your funding.

Eligible Costs – Showcase

16. The Eligible Costs in this section are specific to the Showcase Component. Please also review [Eligible Costs – General Terms](#) as well as the [Eligible Costs – This Program](#) in the Program Guidelines for the Program under which you are applying. Applicants are strongly advised to read and understand these sections, and to contact FACTOR prior to submitting an Application to ensure eligibility of the proposed costs.
17. FACTOR funding under the Showcase Component will equal the lesser of (i) the approved Offer, or (ii) the final subsidy calculation plus Administration Fee, or (iii) 75% the Total Eligible Budget; to the Program maximum.
18. Showcase Component funding is calculated as a flat rate per Eligible Showcase (the “Total Subsidy”), the base rate of which is based on the number of Eligible Travelers, with additional amounts for the distance traveled.
19. An Eligible Traveler is a person who is:
 - a. A credited, full-time member of the Artist group; or
 - b. A Hired Musician or Eligible Crew member whose paid services have been engaged by the Artist for the duration of the Showcase;
 - c. A person who is not receiving funding to attend the Showcase under the Business Travel Component; AND
 - d. Has been approved by FACTOR as an Eligible Cost.

20. A Hired Musician is a musician who is hired to provide his or her services on a contracted, project basis, in exchange for wages. If claimed as an Eligible Cost, the Hired Musician must be Canadian, unless otherwise approved by FACTOR. A full-time member of the Artist, or an Eligible Crew member, cannot also be claimed as a Hired Musician.
21. An Eligible Crew member is a person hired by the Artist for a Showcase to provide only the services of Tour Manager, Driver, Road/Equipment Technician, Lighting Technician, Sound Mixer, Merchandise Seller, or Nanny hired to care for the Artist’s children on tour, or a combination of the foregoing, in exchange for wages. If claimed in the final Completion Budget, Eligible Crew must travel with the Artist for all or a substantial portion of the Showcase. Eligible Crew must be Canadian unless otherwise approved by FACTOR. An Eligible Crew member cannot also be claimed as a member of the Artist or as a Hired Musician.
22. A signed agreement or Deal Memo for Hired Musicians and Eligible Crew must be submitted on Application. It should set out at a minimum the names of the contracting parties, a description of the services to be provided, the rate of pay, and the dates for which the person is being hired. A [Sample Deal Memo](#) is available on the FACTOR website.
23. Per diems and accommodations will be recognized to a maximum of five days for a domestic Showcase/seven days for an international Showcase. Per diems are recognized to a maximum of \$50 per person per calendar day.
24. ***NEW Remote Communities Allowance:** You may now claim an additional airfare subsidy for any Eligible Travelers who reside in Canada in a Remote Community and who must fly out to work on the tour or showcase as follows:
- “Remote Community” means the home is more than 300 km/3 hours ground travel from the following international airports: Toronto, Vancouver, Montreal, Calgary, Edmonton, Ottawa, Winnipeg, Halifax, Victoria, Kelowna/Okanagan Valley, Quebec City, St. John’s, Saskatoon, Regina.
 - The additional subsidy only applies when the Eligible Costs include airfare for the Eligible Traveler to fly from the international airport nearest their home at the start of the tour, and returning to that same airport, or another of the listed airports, at the end of the tour.
 - The subsidy will be added as one lump sum per each traveler per tour on top of the calculated subsidy. The Allowance amounts are:
- | | | |
|---------------------------------|-------------------------------|-------------------------|
| Alberta - \$300 | Northwest Territories - \$800 | Quebec - \$300 |
| British Columbia - \$300 | Nova Scotia - \$300 | Saskatchewan - \$300 |
| Manitoba - \$300 | Nunavut - \$1,000 | Yukon Territory - \$800 |
| New Brunswick - \$300 | Ontario - \$600 | |
| Newfoundland & Labrador - \$600 | Prince Edward Island - \$300 | |
- The Remote Communities Allowance will not count toward the artist’s annual funding limit.
25. A Subsidy Calculator is embedded in the Showcase Component in the Online System and will be available when you apply. For reference, see the rates below.

Showcase	A = Base Rate	B = Territory	C=Subsidy per Showcase
For each Showcase	<p>Add up the Eligible Travelers. The result equals A.</p> <p>First Eligible Traveler = \$800</p> <p>Each additional Eligible Traveler = add \$100</p> <p>To a max. of 8 Eligible Travelers</p>	<p>Multiply A using these rates. The result equals B.</p> <p>Canada = 0</p> <p>US X 50%</p> <p>UK/Europe x 80%</p> <p>Rest of World x 140%</p>	A+B=C

26. Although the Showcase funding is calculated as a subsidy, you will have to submit a final Completion Budget on Completion. FACTOR will only recognize and reimburse up to 75% of the Eligible Costs in your budget. If you claim costs that are ineligible, FACTOR will remove them from the budget and your subsidy may be reduced accordingly. If you have any questions about the eligibility of a particular cost, please contact FACTOR in advance.
27. Generally, and unless otherwise explicitly allowed by FACTOR, Eligible Costs are those paid to Canadians and Canadian owned and controlled service suppliers, the exception being non-Canadian members of the Artist group. FACTOR may make an exception if the cost of hiring non-Canadian musicians and tour personnel who are resident in the territory of the Showcase is significantly more cost effective; however, this must be approved in advance by FACTOR.
28. Travel fares, registration and accommodation expenses that are booked and paid before submission of the Showcase application may be eligible, provided that those costs must be clearly connected to the Showcase.
29. When a privately owned vehicle is used, the Eligible Cost will be tallied at an all-in gas and mileage rate of \$0.50/km. Applicants will be required to submit odometer readings taken before and after the Showcase. If the all-in private vehicle rate is claimed, then gas receipts will not be eligible. [A Vehicle Log is available here.](#)

31. Both vehicle costs and airfare are eligible.
32. Pre-Showcase expenses, such as rehearsal time, will be capped at 15% of Total Eligible Costs.
33. Costs of designing, manufacturing and producing items of non-music merchandise sold at the Showcase (e.g. t-shirts, tote bags) will be considered Eligible Costs. Manufacturing receipts or account statements from label or distributing showing the per-unit cost must be provided at completion to claim these costs.
34. The costs of not-for-sale promotional CDs, vinyl, and dropcards are eligible to an aggregate maximum of 500 units. Manufacturing receipts or account statements from label or distributor showing the per-unit and total cost must be provided at completion to claim these costs.
35. Merchandise shipping costs within Canada and to destinations outside of Canada will be allowed as Eligible Costs.
36. The cost of printed materials, such as handbills, posters, banners etc., will be capped at \$400 per Showcase Component (all Programs).

38. Equipment purchases will be recognized up to a maximum of 10% of the total cost of the purchase. Date of the purchase receipt must be consistent with the dates of the showcase.
39. For Tour Support, Showcase and Business Travel components, no limit will be applied to payments made in cash, provided that:
 - a) Incidental purchases under \$100 (e.g. gas, small goods) must be supported by a cash register receipt.
 - b) Personnel costs, fees for personal services and per diems paid in cash to individual persons must be supported by a FACTOR-provided [Receipt for Services form](#) signed by the payee.

 - i. The name and address of the organization or individual who provided the goods or services.
 - ii. The name of the individual who purchased the goods or service.
 - iii. The goods or services purchased in detail, such as item description, quantity, unit price, extended price, additional charges and applicable taxes.
 - iv. The transaction date (including the dates of service or delivery if applicable).
40. Receipts in all cases must be sufficiently detailed to show the purchase is connected to the expense claim. Applicants must be able to identify and describe the item(s) or service(s) purchased. FACTOR reserves the right to contact the vendor, and to reject any costs it deems, in its sole opinion, insufficiently supported.
41. Artist and Hired Musician fees will be capped at \$300 per performance (or \$300 per day if the Artist performs more than once in a day). Donated Services are ineligible when the Applicant is a party other than the Artist. When the Applicant is the Artist, FACTOR will recognize Donated Services for Artist Members to a maximum of \$150 per Artist member per day. 10. Applicants must submit a production plan and video treatment that outlines the creative direction of the video, including notes on script, action, “look and feel”, and so on.
11. FACTOR must be acknowledged in the end credits, on all digital and physical copies of the video, and/or wherever production credits for the track may be listed, even if the video is being licensed, co-produced, shared or released outside of Canada by a third party. Please review the [Logo and Acknowledgment Guide](#) for specific instructions. FACTOR will require that videos uploaded for public viewing without proper logo and acknowledgment be taken down and revised. Remember, the failure to provide appropriate logos and acknowledgment could result in a loss of some or all of your funding.
12. The funded video must be released for public viewing no later than six months after completion. A later release may be allowed with FACTOR’s express consent.
13. As a condition of funding, FACTOR reserves the right to use all or a portion of the funded video(s) for FACTOR’s own promotional purposes.

Eligible Costs - Video

14. The Eligible Costs in this section are specific to the Video Component. Please also review [Eligible Costs – General Terms](#) as well as the [Eligible Costs – This Program](#) in the Program Guidelines for the Program under which you are applying. Applicants are strongly advised to read and understand these sections, and to contact FACTOR prior to submitting an Application to ensure eligibility of the proposed costs.
15. Funding under the FACTOR Video Program must be used to pay for the cost of producing a music video; for example, hiring a producer, production company, production personnel and talent, storyboarding, renting equipment and facilities, editing and creating video masters.
16. Applicants must submit a detailed budget on Application. FACTOR will only recognize the costs which it deems Eligible Costs in the budget. FACTOR will remove ineligible costs from the budget, and the FACTOR contribution may be reduced accordingly. Please consult the [Business Policies: Eligible Costs – General Terms](#) for general information. If you have any questions about the eligibility of a particular cost, please contact FACTOR in advance.
17. To be recognized as Eligible Costs, all talent and crew members including the producer and director must be Canadian citizens or Permanent Residents of Canada, except by special permission of FACTOR.
18. Generally, costs must be paid to Canadian companies located in Canada or paid to Canadian citizens/permanent residents for work performed within Canada. However, if the production is taking place outside of Canada, FACTOR may allow, on a case-by-case basis, costs related to Canadian personnel traveling to work on the video production in a non-Canadian location, such as airfare, hotels, salaries and per diems. If you intend to request non-Canadian costs in your application Budget, you are encouraged to either discuss it with FACTOR in advance, or provide a thorough explanation in your application.
19. If a production company is used and charges an “all-inclusive” fee, a copy of their itemized cost breakdown (“top sheet”) listing all in-house and sub-contractors costs is required when turning in your completion to FACTOR. FACTOR reserves the right to audit any of the costs included in that all-inclusive fee, and to reject any costs it deems ineligible. It is advisable to inform the production company of this rule ahead of time, so that proper documentation can be provided when requested by FACTOR.
20. Generally, and unless otherwise explicitly allowed by FACTOR, In-house and/or Related Party Transactions are capped at a maximum of 25% of the total Eligible Costs. This rule also applies to any third-party production company or producer you engage to produce the video(s). Please see [Business Policies: Eligible Costs – General Terms](#) for additional details regarding In-House and Related Party costs.

21. Ineligible costs for Video include:
 - a. Non-Canadian producer fees and related costs
 - b. Non-Canadian production costs such as equipment rentals, facilities fees, and costs related to non-Canadian talent unless pre-approved by FACTOR
 - c. All In-Kind and Donated Services

22. Administration Fees for the Video Component will be calculated for all Programs as follows: 15% of total Eligible Costs to a maximum of \$1,500.

Component Completion

Please review the [Completion Guide](#) for detailed instructions.

23. For every component of the project, Applicants must compile and organize all invoices, receipts and Proofs of Payment, then enter the amounts being claimed into the FACTOR Cost Report which can be downloaded from the Budget page of the Completion. Applicants must then upload the Cost Report and all related expense documentation, then complete and submit all other sections of the online Completion (including Budget, Goals and Results, Component Information, Public Funding).

24. In addition to the Program completion requirements, to complete the Video Component the Applicant must:
 - a. Complete the online Completion: Goals (Results), Component Information, Public Funding, and Budget. In the event that the Component or Application is audited by FACTOR or by FACTOR’s independent auditor, the Applicant will be expected to provide each and every receipt, invoice, and Proof of Payment; therefore, Applicants are urged to make sure this documentation is passed on to them from their producer or production house.
 - b. Submit a permanent link to streaming copy of the video(s) (e.g. YouTube, Vimeo, artist’s website), provided that the production credit roll must be visible. FACTOR must be acknowledged in the end credits, on all physical copies of the video, and/or wherever production credits for the track may be listed. Please see [Business Policies: Logo and Acknowledgment](#).
 - c. Submit a [Supplier’s Declaration and Undertaking](#) signed by each Video Producer.
 - d. Submit [Letters of Direction to Pay](#) (maximum three per Project). These Letters are voluntary on the part of the Applicant, who may prefer to have FACTOR pay certain suppliers directly.

Radio Marketing Component Guidelines 2018–2019

Published April 1 2018

Funding for this Component is provided exclusively by Canada's Private Radio Broadcasters.

Eligible Activities

1. Funding under the Radio Marketing Component can be used to buy radio ads and promotional campaigns at radio; and to engage Canadian commercial radio stations or radio broadcast groups, Canadian-owned satellite radio broadcasters such as SiriusXM Canada, as well as Canadian community and campus radio stations, as marketing partners.
2. FACTOR will allow up to two Radio Marketing Component applications per project (limit of one per funding phase). The component application must be submitted no earlier than six months prior, and no later than six months after the Commercial Release of a single track from the album, or the whole album, whichever is later.
3. The Radio Marketing Component funding is paid out at 100% reimbursement. It is intended to complement your other Project activities. If you have radio marketing costs that exceed the Radio Marketing Component limit of \$5,000 per Project, these are eligible for reimbursement in a Marketing component, subject to the rules and limits of the Program under which you are applying.
4. For example: Total eligible marketing costs for the Project are \$20,000, including \$12,000 in general marketing and \$8,000 in radio marketing costs. You would claim the maximum of \$5,000 in the Radio Marketing Component. These costs will be reimbursed by FACTOR at 100%. The remaining \$3,000 in radio marketing costs can be claimed in a Marketing Component where they will be reimbursed at the appropriate percentage of 50% or 75% depending on the Program.
5. You are obligated as a condition of funding to include the appropriate logos and acknowledgment in all materials created in a FACTOR-funded project. Please review the [Logo and Acknowledgment Guide](#) for specific instructions. Remember, the failure to provide appropriate logos and acknowledgment could result in a loss of some or all of your funding.

Funding Limits

6. The Radio Marketing Fund offers a Grant of up to \$5,000 per Project toward radio marketing costs. The costs claimed must be in addition to those you are claiming in any other Project component.
7. Eligible costs claimed under the Radio Marketing Component will be reimbursed at 100% up to the Project's \$5,000 limit.
