## Support for Live Music Events - Contact and Applicant Information Form

The purpose of the Support for Live Events program is to stimulate the employment of Canadian artists and cultural workers, including technicians and other supporting workers & service providers, by providing financial support for live music events featuring Canadian artists that can be presented before an in-person audience and/or through digital dissemination. The funding will mitigate the significant financial risks associated with presenting live music events in the current uncertain context. Events supported through the CMF are expected to generate earning opportunities for artists and cultural workers in the live music sector.

Is the applicant from an equity-seeking population and/or an Indigenous-led organization? \*

**Equity-seeking groups** are communities that face significant collective challenges in participating in society. This marginalization could be created by attitudinal, historic, social and environmental barriers based on age, ethnicity, disability, economic status, gender, nationality, race, sexual orientation and transgender status, etc. Equity-seeking groups are those that identify barriers to equal access, opportunities and resources due to disadvantage and discrimination and actively seek social justice and reparation.
